

Instructions for use & Safety Information

OH³ Fitgadgets E-Bike Bicycle Chain Wax 120 ml

Instructions for use & safety information

OH³ Fitgadgets E-Bike Chain Wax (120 ml)

Water-based chain lubricant, PTFE-free, made in Germany

Area of application

For lubricating and maintaining bicycle chains. Suitable for chain drives on road bikes, mountain bikes, gravel bikes, city bikes and e-bikes. For dry and wet conditions.

Product

- Water-based wax emulsion
 - PTFE-free, solvent-free
 - Long-lasting, dirt-repellent protective film
 - Reduces noise and wear
 - Non-flammable, low odour
-

Preparation

1. Clean the chain thoroughly, ideally with a biodegradable chain cleaner or brake cleaner.
 2. Allow the chain to dry completely to optimise the adhesion of the wax.
-

Application

1. Turn the bottle upside down three times slowly, do not shake.
 2. Apply chain wax drop by drop to each chain link, ideally to the inner plate.
 3. Turn the chain several times to distribute the wax evenly.
 4. Leave to work for at least ~3 hours, preferably overnight.
 5. No wiping off required. For mountain bike use, reapply after each intensive ride if necessary.
-

Storage

- Store in a cool, dry and frost-free place (5 °C to 30 °C).
 - Protect from direct sunlight.
 - Close the bottle tightly after use.
-

Safety Information

- Avoid contact with skin and eyes.
 - Wear safety goggles if there is a risk of splashing.
 - In case of skin contact, wash with soap and water. Consult a doctor in case of irritation or rash.
 - In case of eye contact, rinse eyes immediately with plenty of water and seek medical advice if irritation persists.
 - If swallowed, rinse mouth, drink plenty of water and contact a doctor.
 - Do not allow to enter waterways or drains.
 - Keep out of reach of children.
-

Disposal

- Dispose of product residues in accordance with local regulations.
 - Recycle empty packaging.
-
