OH³ Fitgadgets Chain Wax (120 ml)

Instructions for use & safety information

OH³ Fitgadgets chain wax (120 ml)

Water-based chain lubricant, PTFE-free, Made in Germany

Scope

For lubricating and maintaining bicycle chains. Suitable for chain drives on road bikes, mountain bikes, gravel bikes, city bikes, and e-bikes. For dry and wet conditions.

Product features

- Water-based wax emulsion
 - PTFE-free, solvent-free
 - Long-lasting, dirt-repellent protective film
 - Noise and wear reduction
 - Non-flammable, low odor
-

Preparation

1. Clean the chain thoroughly, ideally with a biodegradable chain cleaner or brake cleaner.
 2. Allow the chain to dry completely to optimize the adhesion of the wax.
-

Application

1. Turn the bottle upside down three times slowly, do not shake.
 2. Apply chain wax drop by drop to each chain link, ideally to the inner plate.
 3. Rotate the chain several times to distribute the wax evenly.
 4. Leave on for at least ~3 hours, or better yet, let it dry overnight.
 5. No wiping required. When mountain biking, reapply after each intense ride if necessary.
-

Storage

- Store in a cool, dry place and away from frost (5 °C to 30 °C).
 - Protect from direct sunlight.
 - Close the bottle tightly after use.
-

Security information

- Avoid contact with skin and eyes.
 - Wear safety goggles if there is a risk of splashing.
 - Wash off with soap and water if skin contact occurs. Consult a doctor if irritation or rash develops.
 - In case of eye contact, rinse eyes immediately with plenty of water and consult a doctor if irritation persists.
 - If swallowed, rinse mouth, drink plenty of water and contact a doctor.
 - Do not allow to enter waterways or sewers.
 - Keep out of reach of children.
-

Disposal

- Dispose of product residues in accordance with local regulations.
 - Recycle empty packaging.
-
